Crime Lord Headquarters Main Floor

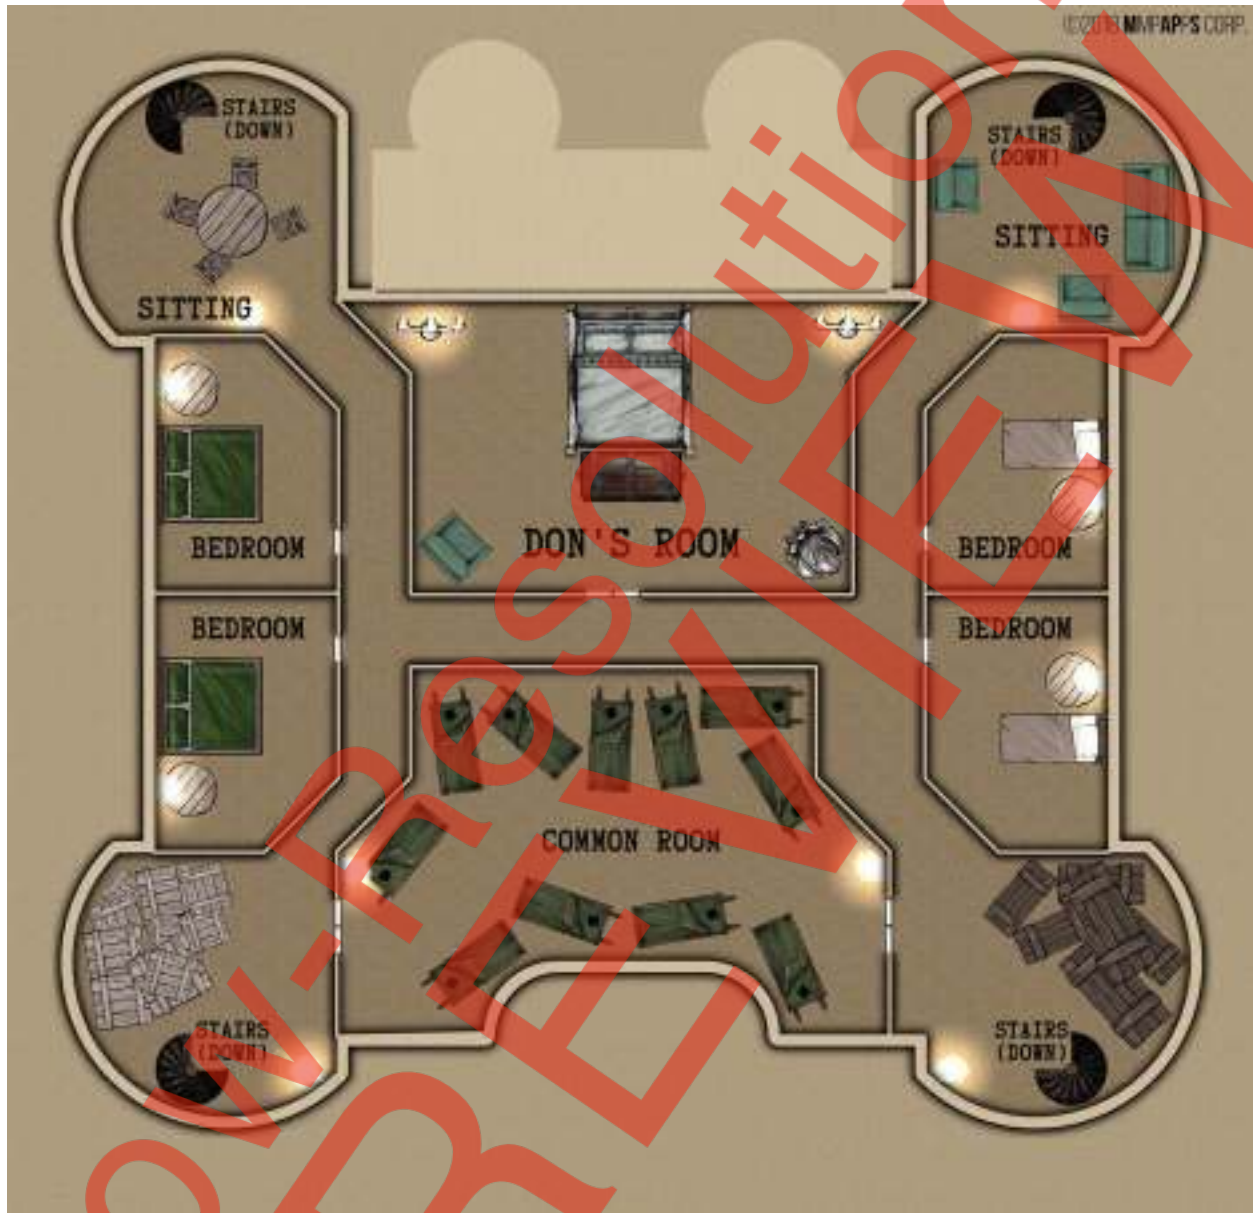

The real power in any backwater town is the Crime Lord. His headquarters are large and intimidating with an audience hall equipped with a stage, a trap door for sending unworthies to the lower level, and prominent throne on which the Don sits.

The entrance is well guarded with a huge door and a security room. Standard living areas and some cells for the Don's enemies fill out the main floor.

Crime Lord Headquarters Upper

The upper floor is dedicated to sleeping with a large central bedroom for the Don, some private bedrooms for his lieutenants (or whoever is important to him at the moment), and a common room for his henchmen.

Crime Lord Headquarters Lower

A crudely dugout cave-like area where those unfortunate enough to have become enemies of the Don will often find themselves offered as a meal to a hideous monster or worse.

The trap door in the ceiling of the pit leads straight to the Don's audience area.
