

HAGS OF RUIN

Hags of Ruin is a monster supplement for 5e that presents emotion-born hags as structured triads of corruption rather than isolated, interchangeable crones. Instead of relying on a single generic hag stat block, this book provides six escalating emotional manifestations—Hunger, Grief, Anger, Envy, Despair, and Desire—each expressed through a unified trio: the Voice, the Maw, and the Keeper. Every triad represents a distinct style of encounter, battlefield presence, and social destabilization.

The intent of this product is emotional manifestation and structured escalation. Each triad embodies a specific form of tragic corruption and is designed to function both independently and as a unified threat. The Voice manipulates and tempts, the Maw devastates and consumes, and the Keeper anchors and protects the manifestation. When united, they activate a shared Triad of Ruin feature that intensifies their domain's influence. These stat blocks can represent localized village tragedies, destabilized noble courts, broken faiths, or collapsing kingdoms. The origin of each triad is intentionally flexible—whether born of mortal downfall, lingering curse, or ancient malice is left entirely in the GM's hands.

Triad of Ruin. While the Voice and the Maw are both within 60 feet of this hag, the trio gains one additional reaction each round. The extra reaction can be taken by any of the trio.

No Escape. Creatures within 20 feet of this hag have disadvantage on opportunity attack rolls against allies of the Keeper of Anger.

ACTIONS:

Claw. *Melee Weapon Attack:* +6 to hit, reach 5 ft., one target. *Hit:* 10 (1d10 + 5) slashing damage.

REACTIONS:

Redirect the Blow. When a creature within 30 feet misses with an attack, the Keeper forces that creature to make a melee attack against a different creature within reach.

- Position the Keeper to manipulate missed attacks into friendly damage using Redirect the Blow.
- Use No Escape to ensure the triad can reposition without retaliation.
- Maintain 60-foot spacing between the trio to preserve their reaction synergy.
- The Keeper thrives in chaotic melees where missed strikes are common.

MAW OF DESPAIR

Weight of Futility. Creatures damaged by the Maw of Despair have disadvantage on the next attack roll they make before the end of their next turn.

ACTIONS:

Ruinous Blow. *Melee Weapon Attack:* +10 to hit, reach 5 ft., one target. *Hit:* 18 (2d10 + 6) slashing damage plus 10 (3d6) necrotic damage.

Wave of Hopelessness (Recharge 5–6). Each creature within 20 feet must succeed on a DC 17 Constitution saving throw or take 21 (6d6) psychic damage and have its speed reduced to 0 until the start of its next turn.

REACTIONS:

Crush Hope. When a creature within 30 feet regains hit points, the Maw reduces the amount regained by 10.

- The Maw should focus on already weakened targets to reinforce despair stacking.
- Use Wave of Hopelessness when enemies cluster for maximum battlefield control.
- Combine Weight of Futility with the Voice's aura to suppress retaliation.
- Visually portray the Maw as heavy and oppressive, embodying inevitability.

VOICE OF DESIRE

Armor Class 17 (natural armor)

Hit Points 210 (20d8 + 120)

Speed 30 ft.

STR	DEX	CON	INT	WIS	CHA

Fixation. At the start of combat, the Voice chooses one creature it can see. The chosen creature has disadvantage on attack rolls against creatures other than the Voice of Desire.

ACTIONS:

Claw. *Melee Weapon Attack:* +9 to hit, reach 5 ft., one target. *Hit:* 15 (2d8 + 6) slashing damage.

Compelling Devotion (Recharge 5–6). One creature within 60 feet must succeed on a DC 18 Wisdom saving throw or be charmed until the end of its next turn. While charmed in this way, the creature must use its movement to move toward the Voice of Desire by the safest available route.

BONUS ACTIONS:

Change Fixation. The Voice can change her fixation.

REACTIONS:

Jealous Redirection. When the Voice of Desire is targeted by an attack from a creature within 30 feet, she can force her chosen fixation target to become the target of that attack instead.

- Open combat by selecting the party's primary defender or striker for Fixation to distort target priority.
- Use Jealous Redirection to punish ranged attackers who attempt to stay safe.
- Compelling Devotion works best in layered terrain where forced movement creates positioning mistakes.
- Keep her protected behind the Maw so her control remains uninterrupted.
