

THIEVES' GUILD

Thieves' Guild is a monster supplement for 5e that presents criminal organizations as a structured, escalating threat rather than a collection of interchangeable cutpurses and back-alley thugs. Instead of relying on a single generic "thief" stat block, this book provides a full ladder of underworld roles—from lookouts, runners, and muggers to burglars, enforcers, lieutenants, and elusive guildmasters—each designed to fill a distinct function during play.

The intent of this product is encounter control and urban variety. Each thieves' guild role supports a specific style of engagement: crowd manipulation, pursuit and escape, ambush, infiltration, intimidation, coordination, or indirect control. Loyalties, territories, and hierarchies are intentionally undefined, allowing these stat blocks to represent street gangs, professional crime syndicates, shadow networks, or entrenched citywide guilds. These criminals are tools of leverage, secrecy, and pressure—who they answer to, what they steal, and how openly they operate is left entirely in the GM's hands.

THIEVES' GUILD LADDER

Name	Challenge Rating	Description
Guild Lookout	0	Unarmed sentries and street eyes who warn the guild of danger. They flee at the first sign of trouble and value survival over loyalty.
Guild Runner	0	Messengers, decoys, and bait used to draw attention, deliver information, or lead pursuers into traps. Fast, disposable, and hard to catch.
Guild Cutpurse	1/8	Pickpockets and petty thieves who work crowds, markets, and festivals. They rely on distraction and escape rather than confrontation.
Guild Forger	1/8	Document falsifiers who create fake permits, writs, seals, and ledgers. Dangerous not for their combat skill, but for the chaos their work causes.
Guild Mugger	1/4	Alley predators who ambush isolated targets for quick profit. Brutal but undisciplined, they strike hard and retreat faster.
Guild Grave Robber	1/4	Tomb looters and crypt crawlers who strip corpses and forgotten sites. Superstitious, filthy, and often carrying unsettling relics.
Guild Tough	1/2	Enforcers and bodyguards who protect guild interests through intimidation and violence. Loyal while paid, ruthless when cornered.
Guild Smuggler	1/2	Specialists in moving illicit goods through docks, borders, and city gates. Skilled at concealment, bribery, and escape.
Guild Burglar	1	Professional infiltrators who bypass locks, traps, and alarms. Prefer stealth and planning to open conflict.
Guild Highwayman	1	Roadside robbers who ambush travelers with threats and negotiation before violence. Confident, theatrical, and always prepared to disengage.
Guild Scout	2	Reconnaissance experts who track targets, map routes, and set ambushes. Rarely fight alone and withdraw once their task is complete.
Guild Witchknife	2	Criminal specialists trained to steal from spellcasters and temples. Use stolen charms, wards, and countermeasures rather than true spellcasting.
Guild Assassin	3	Precision killers hired for specific targets. They strike decisively and disappear, avoiding prolonged fights whenever possible.
Guild Fence	4	Influential brokers who control stolen goods, information, and contacts. More dangerous socially than physically, with reach across the city.
Guild Lieutenant	5	Trusted crew leaders who command cells and coordinate operations. Pragmatic tacticians who know when to fight and when to retreat.
Guildmaster	6	The unseen hand behind the guild's operations. Rarely encountered directly, relying on preparation, leverage, and escape plans to survive.
