

WIGHTS: SPECIES VARIANTS

WIGHTS: SPECIES VARIANTS IS A MONSTER SUPPLEMENT FOR 5E THAT PRESENTS WIGHTS AS A SPECIES-SPANNING UNDEAD lineage rather than a single generic stat block. Instead of treating the wight as one fixed humanoid template, this book expands the concept across multiple peoples and monstrous bodies—each retaining exactly one meaningful racial trait while preserving the original SRD wight chassis.

The intent of this product is mechanical discipline and encounter variety without CR inflation. Humanoid variants retain the baseline CR 3 wight statistics, while larger creatures scale naturally according to their original bodies. Each wight is built to support a distinct tactical identity: chokepoint anchors, disciplined formation leaders, mobile ranged commanders, aquatic dominators, shock assault leaders, regenerating horrors, and regional undead warlords. These undead are intelligent battlefield presences designed to command lesser undead and shape combat through positioning rather than numerical escalation.

Cultural lore, motive, and origin are intentionally minimal. Whether these wights are the result of ancient curses, battlefield necromancy, divine punishment, or lingering hatred is left to the GM. Use these stat blocks as tools. How and why the dead retain their former doctrine is yours to decide.

WIGHTS ROSTER

Name	Challenge Rating	Description
Human Wight	3	Baseline SRD wight; intelligent undead commander sustained by stolen vitality.
Dwarf Wight	3	Chokepoint anchor that resists forced movement and commands shield-bearing undead.
Elf Wight	3	Mobile ranged tactician that controls distance and pressures from elevation.
Halfling Wight	3	Compact infiltrator that operates effectively in tight interiors and dense terrain.
Gnome Wight	3	Arcane-resistant undead commander suited to magical ruins and workshops.
Ratfolk Wight	3	Sewer tactician that exploits narrow spaces and dim urban environments.
Goblin Wight	3	Opportunistic skirmish leader that repositions and pressures weakened foes.
Merfolk Wight	3	Aquatic undead commander that dominates submerged battlefields.
Dragonborn Wight	3	Draconic undead presence that opens combat with corrupted breath before closing.
Lizardfolk Wight	3	Swamp-adapted undead commander with natural armor and aquatic mobility.
Orc Wight	3	Relentless shock leader that drives frontal undead assaults.
Hobgoblin Wight	3	Disciplined formation commander that strengthens allied positioning.
Gnoll Wight	3	Predatory pursuer that capitalizes on fallen enemies and battlefield momentum.
Bugbear Wight	3	Long-limbed space controller that strikes from extended reach.
Ogre Wight	5	Large undead brute that combines physical dominance with Life Drain.
Minotaur Wight	6	Charging undead war beast that breaks lines before draining the fallen.
Troll Wight	7	Regenerating undead horror requiring fire or acid to suppress.
Hill Giant Wight	9	Massive undead warlord whose presence signals regional devastation.

Condition Immunities exhaustion, poisoned

Senses darkvision 60 ft., passive Perception 11

Languages Common

Challenge 3 (700 XP)

Proficiency Bonus +2

Undead Nature. Undead do not require air, food, drink, or sleep.

Sunlight Sensitivity. While in sunlight, this wight has disadvantage on attack rolls, as well as on Wisdom (Perception) checks that rely on sight.

ACTIONS

Multiattack (2). This wight makes two weapon attacks. It can replace one attack with Life Drain.

Longsword. *Melee Weapon Attack:* +4 to hit, reach 5 ft., one target. *Hit:* 6 (1d8 + 2) slashing damage plus 3 (1d6) necrotic damage.

Longbow. *Ranged Weapon Attack:* +4 to hit, range 150/600 ft., one target. *Hit:* 6 (1d8 + 2) piercing damage plus 3 (1d6) necrotic damage.

Life Drain. *Melee Weapon Attack:* +4 to hit, reach 5 ft., one creature. *Hit:* 5 (1d6 + 2) necrotic damage. The target must succeed on a DC 13 Constitution saving throw or its hit point maximum is reduced by an amount equal to the damage taken. This reduction lasts until the target finishes a long rest. The target dies if this effect reduces its hit point maximum to 0.

Create Specter. This wight targets a humanoid it has slain within the last minute. The target's spirit rises as a specter in the space of its corpse or in the nearest unoccupied space. The specter is under this wight's control.

- This wight commands from behind lesser undead, using ranged attacks first.
- It prioritizes weakened targets to trigger Life Drain.
- It retreats from direct sunlight whenever possible.
- It uses Create Specter to expand its forces after battle.

Challenge 7 (2,900 XP)

Proficiency Bonus +3

Undead Nature. Undead do not require air, food, drink, or sleep.

Regeneration (Troll Trait). This wight regains 10 hit points at the start of its turn. If it takes fire or acid damage, this trait doesn't function at the start of its next turn. This wight dies only if it starts its turn with 0 hit points and doesn't regenerate.

Sunlight Sensitivity. While in sunlight, this wight has disadvantage on attack rolls, as well as on Wisdom (Perception) checks that rely on sight.

ACTIONS

Multiattack. This wight makes two Claw attacks, or it makes one Claw attack and one Life Drain attack.

Claw. *Melee Weapon Attack:* +7 to hit, reach 5 ft., one target. *Hit:* 11 (2d6 + 4) slashing damage plus 7 (2d6) necrotic damage.

Life Drain. *Melee Weapon Attack:* +7 to hit, reach 5 ft., one creature. *Hit:* 11 (2d6 + 4) necrotic damage. The target must succeed on a DC 15 Constitution saving throw or its hit point maximum is reduced by an amount equal to the damage taken. This reduction lasts until the target finishes a long rest. The target dies if this effect reduces its hit point maximum to 0.

Create Specter. This wight targets a humanoid it has slain within the last minute. The target's spirit rises as a specter in the space of its corpse or in the nearest unoccupied space. The specter is under this wight's control.

- This wight relies on Regeneration to outlast opponents in melee.
- It pressures front-line targets with sustained claw attacks.
- It prioritizes finishing weakened foes to create additional specters.
- It avoids prolonged exposure to sunlight and fire.
