Virtual table top or printing

# Basement

We start in the basement where all the action is. Prohibition liquor is served in a small but busy hidden pub. A stage and dressing room. A VIP area. Bathrooms, coat check, and bar. The VIP room has a secret quick exit to an empty hotel room on the ground floor. Patrons enter through the secret entrance in the bookstore and down the spiral stairs.

**Grid Size:** 1 units

# Ground Floor

Two business fronts hide the speakeasy and keep it secret. The first is a bookstore with a secret entrance. This is how most patrons enter and exit. The other is a nondescript hotel, but one of the rooms, always left unbooked, hides a quick get away from the VIP room.
