Swabbit 2024 Playable Species Details

Feared and reviled by most, Swabbits are twisted cousins of the Halflings who have forsaken their clean, idyllic homes for the rotting depths of vast swamps. Where Halflings find joy in the comforts of home and good company, Swabbits revel in filth, deception, and trade with the unsavory. With green, sickly skin, warts, and boils, their appearance reflects their embrace of decay.

Swabbit clans are small and secretive, living deep in swamps, hidden from civilized lands. They survive by trading swamp creatures, poisons, and other unsavory goods with nefarious races such as goblins, lizardfolk, and outcast humans. Their keen instincts for survival and stealth have granted them a natural cunning that makes them dangerous allies or enemies.

Despite their grim nature, Swabbits share Halflings' natural resilience. They are immune to disease, capable of seeing in the dark, and cunning enough to strike unnoticed from the shadows. Their presence in a region is often seen as a sign of decay and danger.

Swabbit Traits

Creature Type: Humanoid

Size: Small (about 2–3 feet tall)

Speed: 25 feet

As a Swabbit, you have the following special traits:

Cunning Stealth

You can take the Hide action when lightly obscured by dim light or in swampy environments.

Disease Immunity

You are immune to disease, having survived in fetid and pestilent environments your whole life.

Swamp Stalker

You gain proficiency in Stealth and Deception.

Darkvision

You have Darkvision with a range of 60 feet. You can see in dim light as though it were bright light, and in darkness as though it were dim light. You cannot discern color in darkness, only shades of gray.

Unsavory Appetite

You can consume small creatures, insects, and plants that others would find toxic or inedible, without adverse effects. Additionally, you have advantage on saving throws against ingested poisons.

Swabbit 2014 Playable Race Details

Halfling Traits

Ability Score Increase

Your Dexterity score increases by 2.

Age

A halfling reaches adulthood at the age of 20 and generally lives into the middle of their second century.

Size

Halflings average about 3 feet tall and weigh about 40 pounds. Your size is Small.

Speed

Your base walking speed is 25 feet.

Lucky

When you roll a 1 on the d20 for an attack roll, ability check, or saving throw, you can reroll the die and must use the new roll.

Brave

You have advantage of saving throws against being frightened.

Halfling Nimbleness

You can move through the space of any creature that is of a size larger than yours.

Languages

You can speak, read, and write Common and Halfling. The Halfling language isn't secret, but halflings are loath to share it with others. They write very little, so they don't have a rich body of literature. Their oral tradition, however, is very strong. Almost all halflings speak Common to converse with the people on whose lands they dwell or travel.

Swabbit Subrace Traits

Ability Score Increase

Your Constitution score increases by 1.

Disease Immunity

You are immune to disease, having spent your life in fetid and pestilent environments.

Darkvision

Accustomed to the murky, dim conditions of the swamp, you have Darkvision with a range of 60 feet. You can see in dim light as if it were bright light, and in darkness as if it were dim light. You cannot discern color in darkness, only shades of gray.

Swamp Stealth

You can attempt to hide when you are only lightly obscured by natural swampy terrain or dim light.

Unsavory Appetite

You can sustain yourself on food sources others would find toxic or inedible, such as insects, frogs, and swamp creatures. You have advantage on saving throws against ingested poisons.

Monster Stat Block

SWABBIT						
Small Humanoid (Halfling), Neutral Evil						
Armour Class	14 (natural armour)					
Hit Points	27 (5d6 + 10)					
Speed	25 ft.					
STR	DEX	CON	INT	WIS	CHA	
10 (+0)	15 (+2)	14 (+2)	11 (+0)	12 (+1)	8 (-1)	
SKILLS						
Stealth +6, Deception +3						
Senses	Darkvision 60 ft., Passive Perception 11					
Languages	Common, Halfling					
Challenge	1/2 (100 XP)					
Proficiency Bonus	+2					
SPECIAL TRAITS						
Darkvision. Accustomed to the dim, murky swamps, the Swabbit can see in darkness up to 60 feet.						
Disease Immunity. The Swabbit is immune to disease.						
Swamp Camouflage. The Swabbit has advantage on Dexterity (Stealth) checks made to hide in swampy or marshy terrain.						
Poisonous Rebuke (Recharge 5–6). When the Swabbit is hit with a melee attack, it can spray a cloud of toxic gas from its boils. The attacker must make a DC 12 Constitution saving throw or be poisoned for 1 minute.						
ACTIONS						
Multiattack. The Swabbit makes two attacks: one with its bite and one with its short sword.						
Bite. <i>Melee Weapon Attack:</i> +4 to hit, reach 5 ft., one target. <i>Hit:</i> 5 (1d6 + 2) piercing damage, and the target must succeed on a DC 12 Constitution saving throw or take 3 (1d6) poison damage.						
Short Sword. <i>Melee Weapon Attack:</i> +4 to hit, reach 5 ft., one target. <i>Hit:</i> 6 (1d6 + 2) piercing damage.						

Swabbits are filthy, swamp-dwelling hermits who forsook the comfortable lives of their Halfling cousins. Over generations, their exile into the deepest, most decayed swamps has warped their bodies and minds. Swabbits have become twisted reflections of their former selves, embracing the filth and decay of their environment.

Now, these cunning creatures live in small, reclusive clans hidden deep within treacherous bogs. They are stealthy, malicious beings who resent outsiders and guard their hovels with ruthless cunning. They delight in ambushing unwary travelers who stray into their territory, using the cover of murky water and dense vegetation to strike unseen.

Swabbits possess immunity to the diseases that plague their homes. They move through fetid environments with ease and disappear into the swamp when pursued. They often taunt their victims before closing in for the kill, striking with sharpened blades and venomous creatures.

VTT Tokens

There are six different character/monster tokens in PNG format, ready for use on your favorite Virtual Tabletop. The examples below show six of the nine frame colors available.
