# About these maps

This is a small classic disk shaped spaceship. Maps are divided into quadrants with an upper deck, lower deck, gun wells, and Toppers Bar. Movement onboard can happen in individual teleports found throughout the ship. However, unless you are changing deck, or in the case of an emergency, crew are expected to walk. You must have the appropriate security clearance to request teleport to some locations (like that captain's quarters).

# Upper Deck - Bridge

In the centre of the upper deck you find the bridge.

**VTT Settings:** (each unit is 70 pixels)  
**Page Size:** 18 units wide by 18 units high  
**Scale:** 1 unit = 1 m (or 3 ft.)  
**Grid Size:** 1 units

# Upper Deck - NE Quadrant

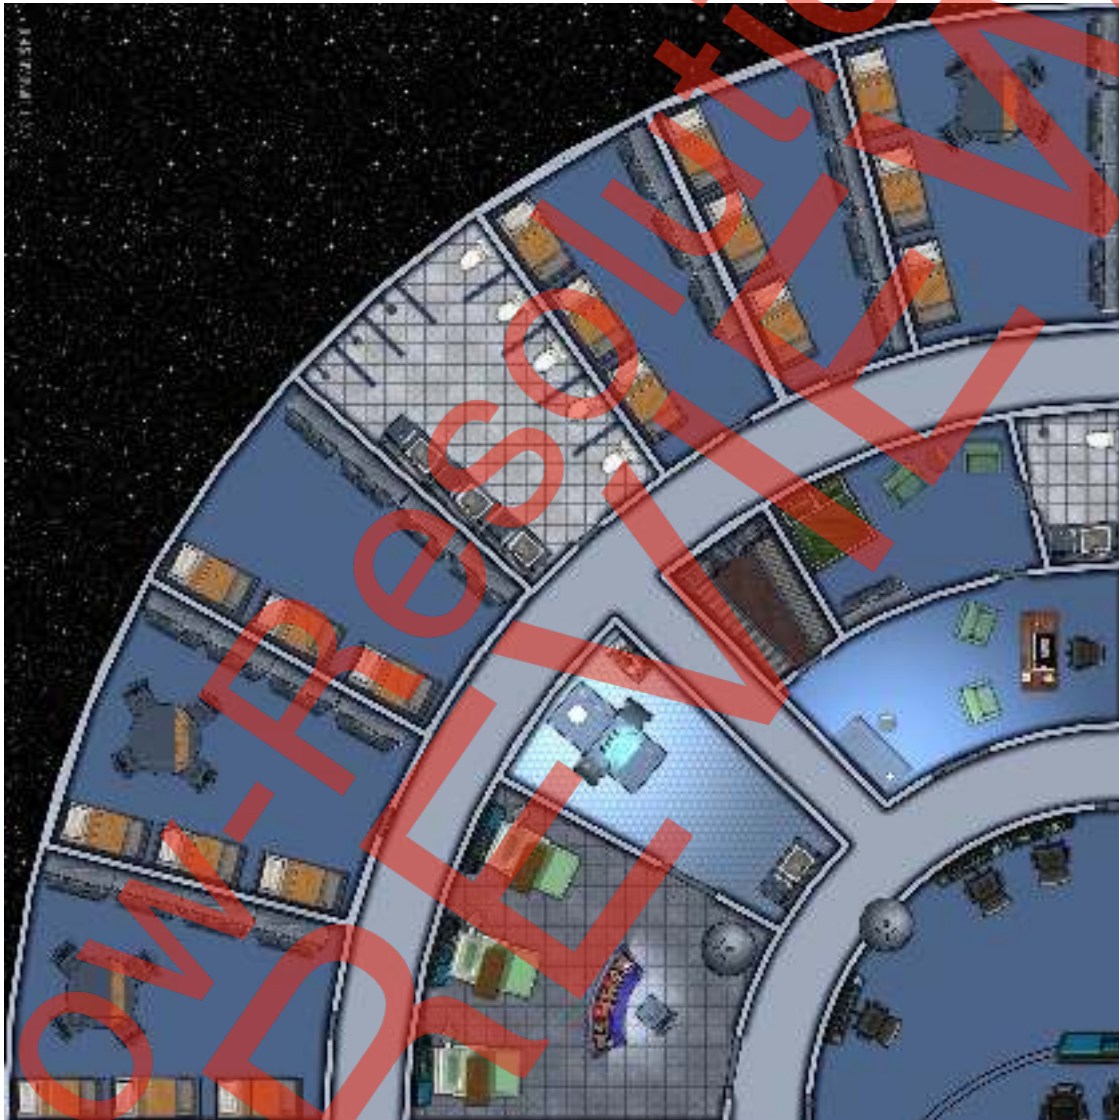

In the inner ring you find an officer's conference room, the captain's quarters, and the captain's ready room. In the outer ring you find security and brig, security quarters, washrooms, armoury, and the office and quarters for the head of security.
