The GM Overlay.png files are made to be placed on the GM notes layer in your Virtual Tabletop system of choice. Since they are the same size as the map, once the settings for the map are correctly set, they can be easily placed on the GM notes layer.

License:

Users are granted a license to use these maps and GM Notes for their personal use only via either display on a virtual tabletop gaming system (VTT) or to print them to be used for reference or/play-aids. Any commercial use is strictly forbidden without express written permission. If you wish to use the maps and/or GM notes in a public live stream video of your game or in the context of a review please contact us at support@mmpapps.com to secure permission. The license is not transferable and the maps and GM notes may not be redistributed, resold or sub-licensed in any way.
