

SCIENCE FICTION TRAIN

MAP PACK

About these maps

There are 27 different kinds of train sections, three roof maps, and seven track maps.

The roof maps are designed to be to roof of any of the railcars, and the track maps can be used independently, or with railcars overlaid on the tracks to provide the environment for the railcar.

Arctic Track with no railcar

LOW-Resolution
PREVIEW

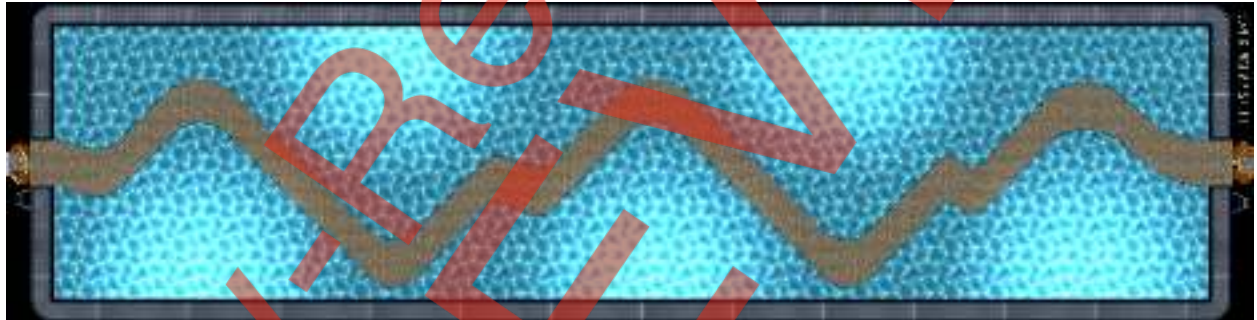

Theatre Section

A large screen, comfortable chairs, a large library of shows of movies from which to choose.

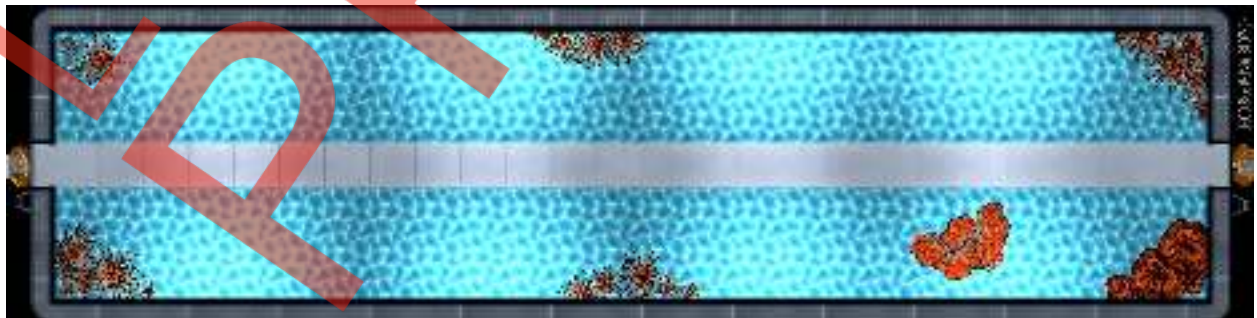

Swimming Section

The beautiful and entitled spend many hours swimming in this section. The unique floating walkway gently drifts in reaction to the water's flow.

Aquarium Section

A dome covered walkway takes you through this water filled section where you can watch fish swim all around you.

Botanical Garden Section

A wooden boardwalk takes you through a section filled with trees and plants. This section has glass walls and ceiling to let the light in.

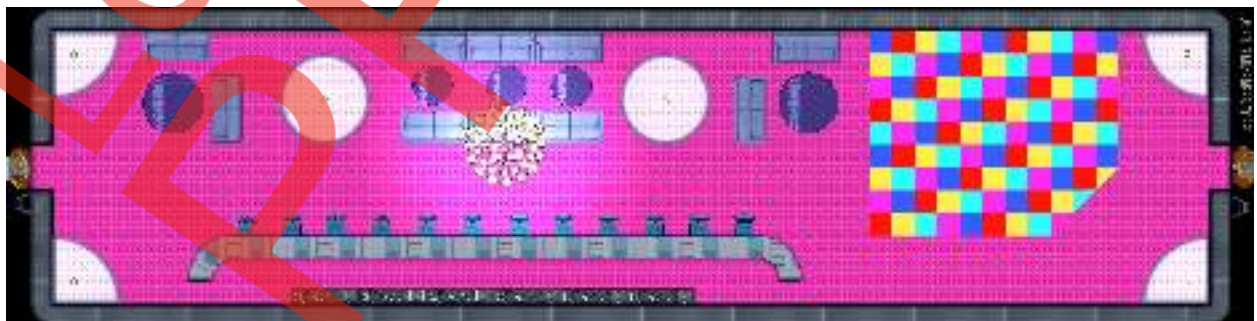

Lounge Section

Gaudy decor beloved by the VIPs who frequent the lounge. A small stage often hosts jazz music.

Nightclub Section

Over the top disco dance vibe for young VIPs to boogie all night long.

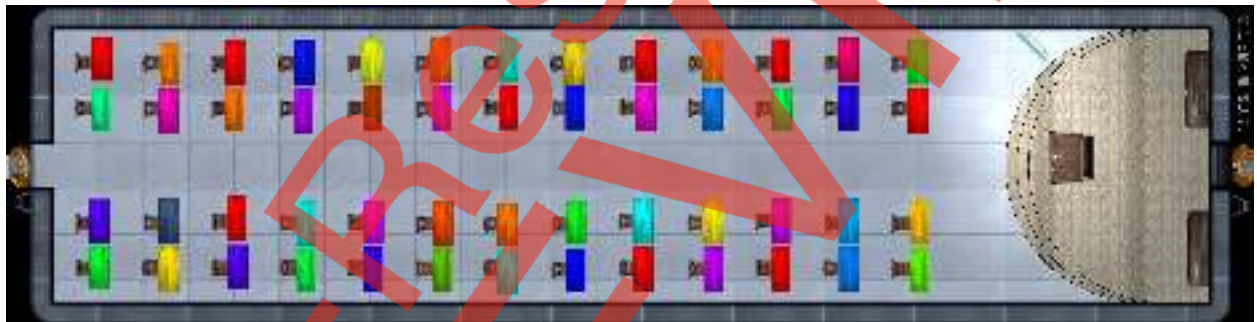

Church Section

It is unclear what strange creature is worshiped here.

Classroom Section

Children of the VIP and common class are taught in a colourful classroom.

Medical Section

Hospital beds and a surgery room.

Prison Section

A place for those caught misbehaving.

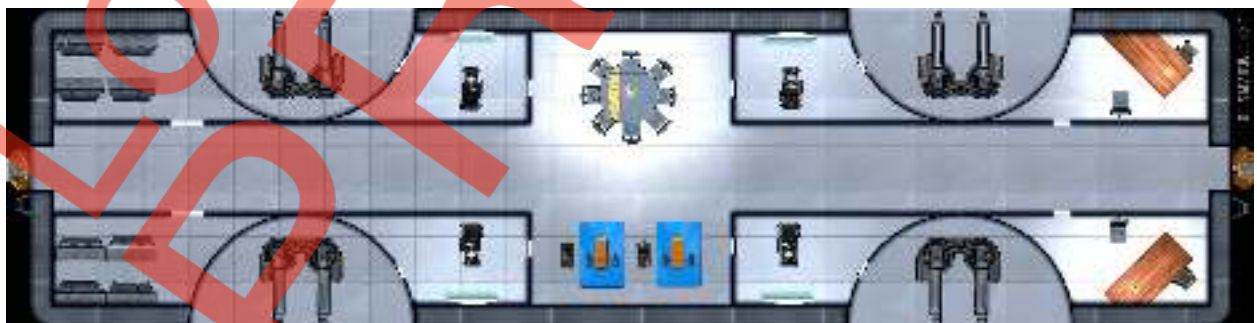

Bathroom Section

Toilets, showers, and sinks in a common section.

Security Section

Four guns, armoury, offices, plus a place for security to relax and workout.

Kitchen Section

You don't want to know what that beast is, but it tastes awesome.

Greenhouse Section

Next to the kitchen section is a greenhouse for growing fresh fruits and vegetables. This section has glass walls and a glass ceiling to let the light in.

Common Room Section

The common class still enjoy some comfort and privacy.

Common Dining Section

Common class eat in a mess-like environment with buffet-style meals.

Loading Section

The only way on or off the train. Workers and low class go to towards the rear, VIP and common class towards the front.

Bunk Rooms Section

Worker class get put in crowded bunks, eight to a room.

Food Processing Section

Worker an low class get to eat... something.

Low Section

The low class are cramped in cold, dirty, uncomfortable sections. Barely a life worth living.

End Section

The last section of the train.

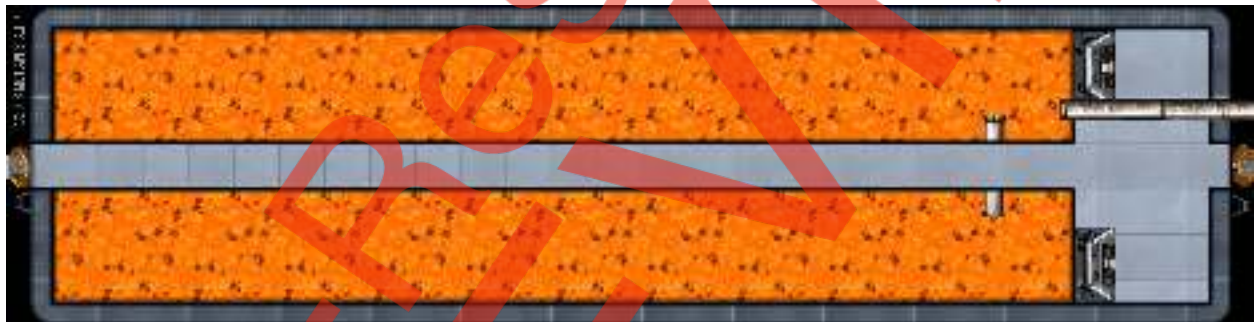

Engine Section

The first section of the train. Off limits to most.

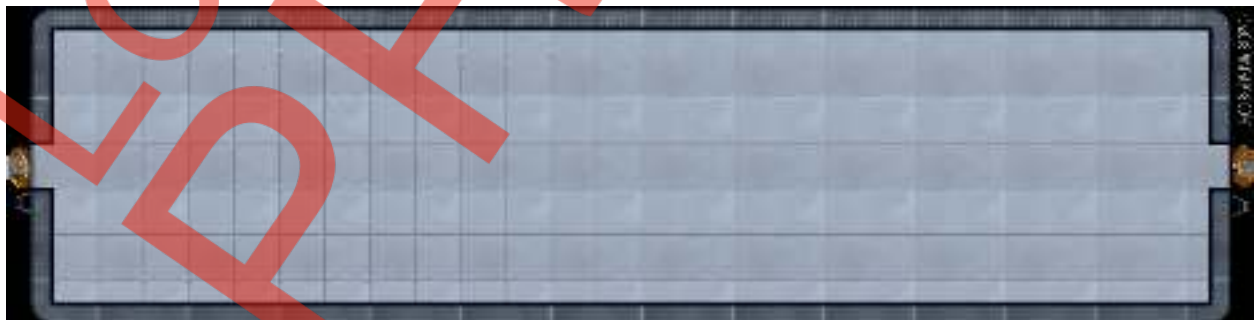

Power Section

Directly behind the engine is the fuel and power section.

Blank Section

A blank section for you to customize to your needs.

Section Roof

The roof of most cars is metal. There is an outside catwalk along the length of the train.

Glass Roof

Some sections have glass roofs.

Engine Roof

Shaped like a bullet with metal catwalks and ladders for those poor souls who need to do maintenance on the outside of the engine.
